Supervising Children Policy

There should be a minimum of two responsible adults present in all circumstances

Appropriate supervision ratios based on the number of qualified coaches required to run different technical disciplines within the game are as follows:

Net coaching: 1 coach/8 children

Group coaching: 1 coach/24 children

Hard ball coaching: 1 coach/16 children

Supervision ratios relate to managing groups of children. These ratios relate to adults and children. Volunteers under 18 years of age are not used in the supervision ratio calculations. Minimum ratios for looking after groups of children are as follows:

Aged 8 and under: 1 adult/8 children

Aged 9 and over: 1 adult/10 children

Drink breaks are encouraged – every 20 to 40 minutes on very hot days.
